November 3, 2023

Halloween Parade

On Tuesday, October 31, School No.1 celebrated with the fun tradition of holding a Halloween parade. The weather was great, students were excited, and it was great seeing all the parents, grandparents, friends, and other family members joining in on all the festivities.

I would like to extend a big thank you to Mr. Montorio for being our designated School No.1 MC, Mr. Darrell DeLuise and Mr. Anthony Duffy our school custodians, and all

the teachers, Paraprofessionals, and school staff that helped make this a fun and safe experience for everyone.

School One Recycles

This past month, the School No.1 Environmental Club started with our 4th graders. Each club meeting we will go around to collect the recycling each of the classrooms have collected, which includes paper, cardboard, plastic drink bottles, and cans. We bring the recycled materials outside to our larger recycling bin that is picked up by the town of Fort Lee once a week. This is a great way for our students to make a difference to our environment and keep it

clean here at School One. Our recycling program at School One is a great way to encourage students to recycle at home as well, so please continue to encourage your child to recycle at home as Fort Lee picks up recycling from your home or building once a week.

Native American Heritage Month

November is Native American Heritage Month, or as it is commonly referred to, American Indian and Alaska Native Heritage Month. The month is a time to celebrate rich and diverse cultures, traditions, and histories and to

acknowledge the important contributions of Native people. Heritage Month is also an opportune time to educate the general public about tribes, to raise a general awareness about the unique challenges Native people have faced both

historically and in the present, and the ways in which tribal citizens have worked to conquer these challenges. (ncai.org, October, 2022)
