Balloons Over Broadway: Sc. No I Thanksgiving Day Parade

The week of Thanksgiving, School No.1 celebrated with our second annual "Balloons Over Broadway". Second grade students decorated and designed, "Thanksgiving Parade" Balloons and marched them up and down the halls as a nod the time-honored tradition. We would like to thank all the parent volunteers who helped with this fun event, our 2nd grade team who made this happen, and our 2nd grade students who

had tons of fun marching through the halls. Can't wait to see what next years parade has instore for us.
